Mr. John A. Lafleche
Superintendent-Director

March 17, 2020

Dear Co-Op Parents, Students and Employers,

I am writing to advise you that, effective at the end of the day today, all Co-Operative Education jobs are suspended for the duration of Bay Path's closure due to the corona virus affecting Massachusetts and the country. While I had allowed parents and employers to make individual decision regarding Co-Op in correspondence provided as late as yesterday, new state and federal guidance has led me to change the program's status. Students must discontinue their co-op employment until we are back in school. Please note, students who continue to work for the employer are not protected under the auspices of the Co-operative Education regulations.

I apologize for the change in guidance, however new information is received on an hourly basis. The school's primary concern is the health and welfare of the students attending Bay Path. If you have any questions concerning this correspondence please reach out Mr. Chris Faucher at CFaucher@baypath.net or me at JLafleche@baypath.net.

Thank you for your cooperation and continued understanding as we navigate this unprecedented health crisis. I wish you well.

Sincerely,

John Lafleche
Superintendent
